

Simulated Power Transmitted in Each Spectral Channel (ratio of line width to channel spacings = 1)

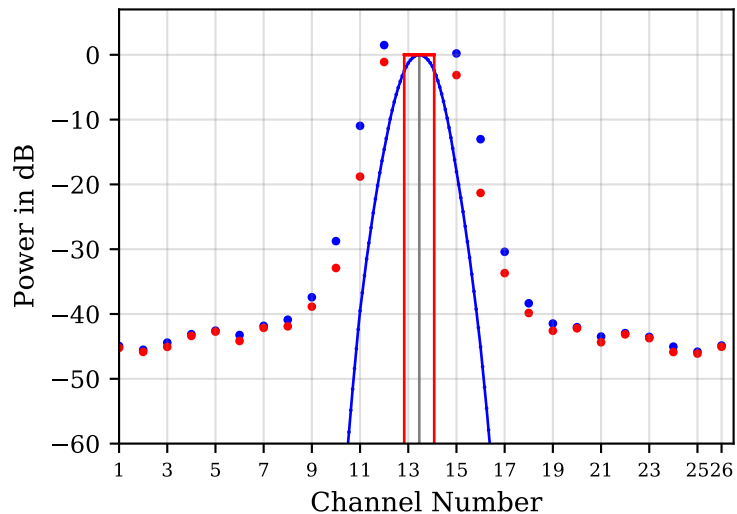

Lines centered at 1529.3333 nm

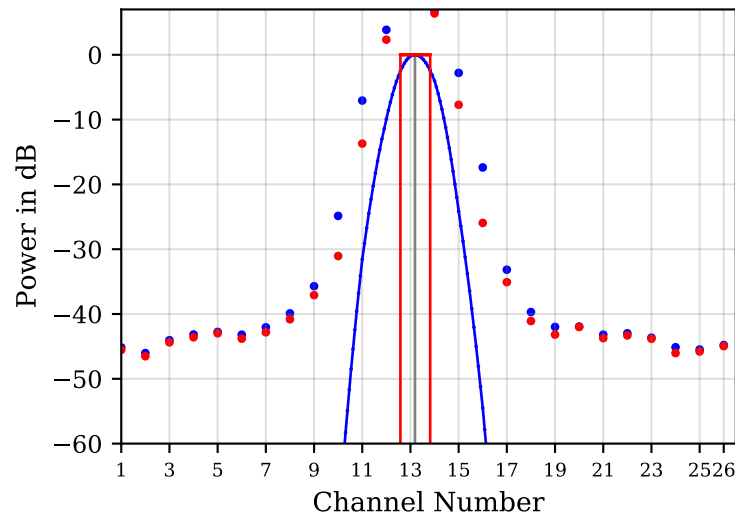

Lines centered at 1529.5256 nm

Lines centered at 1529.7179 nm

Lines centered at 1529.9103 nm

- Center of Original Profiles
- Original Gaussian Emission
- Edge of Original Rectangular Profile
- Original Rectangular Emission
- Transmission from Gaussian Profile
- Transmission from Rectangular Emission
