

Simulated Power Transmitted in Each Spectral Channel (ratio of line width to channel spacings = 1)

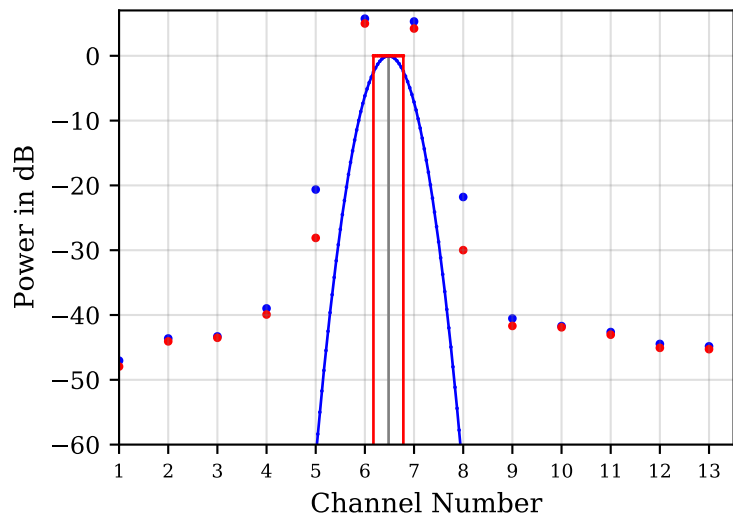

Lines centered at 1530.0437 nm

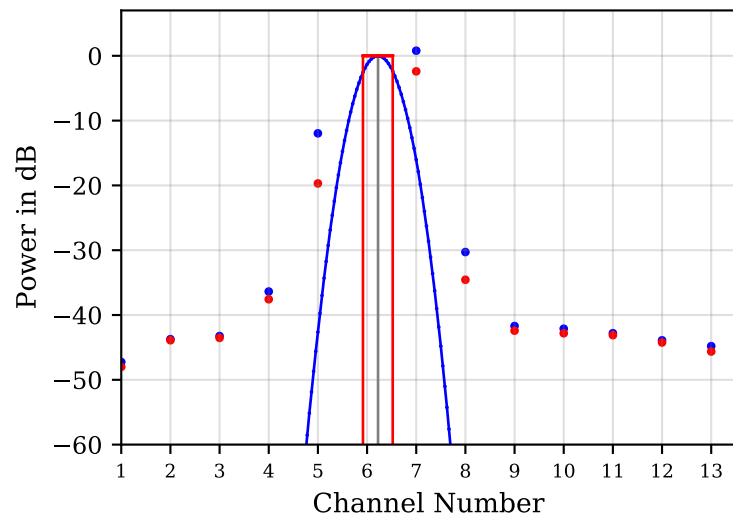

Lines centered at 1530.4284 nm

Lines centered at 1530.813 nm

Lines centered at 1531.1976 nm

- Center of Original Profiles
- Original Gaussian Emission
- Edge of Original Rectangular Profile
- Original Rectangular Emission
- Transmission from Gaussian Profile
- Transmission from Rectangular Emission
